BRAND

— OF —

EXCELLENCE

Marshall County High School's basis for achievement was established in 1974-75. In the 10 years that have passed, Marshall County's symbol, the Star, has become a standard of excellence throughout the region, as well as the state. Many different forms of excellence can be found throughout the school:

★ Senior Mark Tichenor was selected Paducah Area Youth Leader of the Year out of nearly 170 students representing over 20 area high schools, marking the second consecutive year the honor has gone to an MCHS student.

★ The Marshall County Marching Marshals, who marched in the 1983 Tournament of Roses Parade, marched in the 1984 Macy's Thanksgiving Day Parade.

★ The Marshall County girls' and boys' basketball teams posted a combined record of 63 wins and 5 losses in 1984, with two district championships and two regional championships. The girls' squad also won the state championship for the second time in three years.

★ Seniors David Roberts, Keith York, and Kevin Henson were semi-finalists in the National Merit Scholarship competition, based on P.S.A.T. scores.

The Star is truly the "Brand of Excellence."

TABLE — OF — CONTENTS

WE ACHIEVE . . .

Mr. Brooks congratulates Mark Tchenor on receiving the Paducah Area Youth Leader of the Year award.

Mrs. Ross, outstanding state media person for '84-'85, helps Jeff Ross with a newspaper article.

The Marching Marshals performing style won them an invitation to Macy's Thanksgiving Day Parade.

Barry Goben adds points to the score at the Sweet 16.

PURSUE . . .

The pursuit begins with the long ride to school. Kathy Cuher, Steve Poole, Tish Usher, Anisa Travis, Barry Conner, Lisa Sals, Sandy Odom, and Karen Brandon share a light moment.

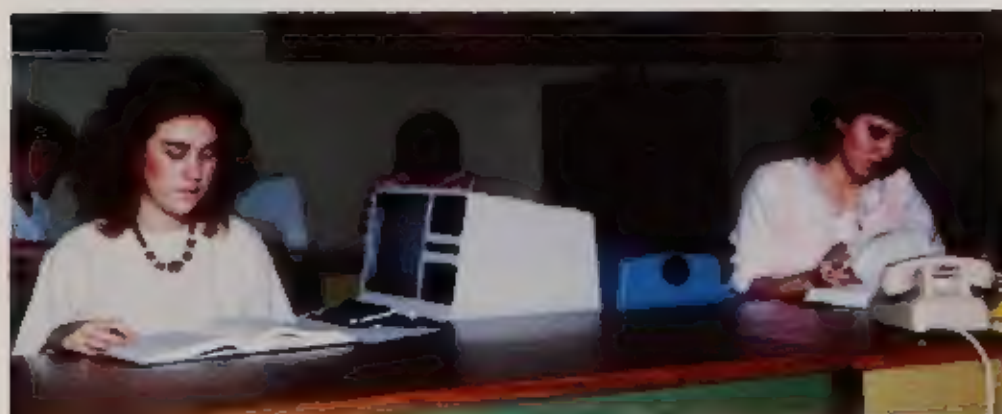

Melinda Elkins uses her French horn as a prop while she and other band members concentrate on music theory.

Dictionary use is a common practice for Tammy Morgan, Kelly Hamlet, Roger Morrison, Brad Ross, Kelly Hresko, and Wayne Jenkins.

Robert Fulton, Mikel Green, Ronda Lyles, and Ronald Myers seek knowledge from *The Light in the Forest*.

Kelly Howard and Tina Vazquez master computer principles.

The joy of learning is shown by Ray Byers, Jory Gamble, Imila Cash, Darrell Lovett, and Patrick Lovett in Mrs. Lisa Edwards' English class.

DISPLAY EXCELLENCE

Sherrin Smith listens to the applause at the conclusion of "Enchanted."

Jamie Jenkins leads the Deputies as they perform at half time of a home ballgame.

Jeff Smith gains yards against Lone Oak in the Homecoming game.

Shayne Wilkins, Brett Lattimer, and Kevin Filbeck closely follow the action of their teammates in the Sweet 16 Tournament while the crowd creates a sea of orange.

Whether it be in sports, band, clubs, or academics, the pursuit and display of excellence at Marshall County High School will continue for many years to come.

SCHOLASTIC EXCELLENCE

M.C.H.S. HONOR STUDENTS

Maintaining a 3.5 grade point average is extremely difficult for today's high school student. Yet, not only have several 1985 M.C.H.S. seniors accomplished this; but, going into their final semester, eleven of these seniors held a perfect 4.0 standing.

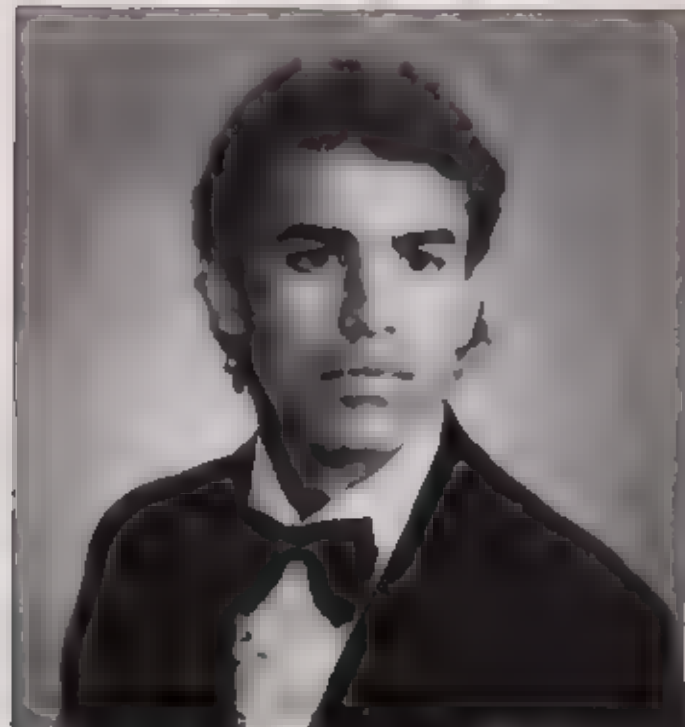

The Marshall County Academic Team once again competed on the K.E.T. Scholastic Challenge, proving again that Marshall County High School's academics are superb.

Our choral department under the new direction of Mrs. Cheryl Heaven has been involved in many activities this year. They have traveled to Murray for the first-district Choral Festival. Members also competed in All-State choir tryouts. Solo ensemble competitions were also held in Murray and several members participated. Christmas time was also full of activities and very festive for our choir. They toured area nursing homes and performed for the residents there. The Ky Oaks Mall was very receptive when the Christmas concert was presented to them by the choir. Due to much hard work by the members, director, support for parents, friends, and the Marshall County School System the choir has reached many goals and received many compliments.

Since Howard Beth took over the job as head coach of the Lady Marshals four years ago, they have established themselves as one of the most dominant teams in the state of Kentucky. Coach Beth has lead the Lady Marshals to four straight district and regional championships. The Lady Marshals have finished runner-up in the state tournament once and have won the Kentucky State Championship twice in the last three years, finishing the 1983-1984 season with a perfect 34-0 record. That team featured 1983-1984 Miss Kentucky Basketball, Carol Parker. 1984-1985 Lady Marshals return much talent including Rona Poe, a 1983-1984 All-Purchase selection. In addition, Melissa Edwards, also a 1983-1984 All-Purchase selection, transferred to Marshall County from Reidland. Other Lady Marshals who have earned starting berths in the 1984-1985 season are senior Cindy Stowe, junior Starla Wardrop and sophomore Mary Taylor.

The diagram illustrates the experimental setup. A participant is seated at a table, looking at a video screen. On the table, there is a horizontal bar. A video camera is positioned above the bar and screen. The screen shows a target (a small circle) and a starting point (a small circle). The bar is labeled 'Bar' and the screen is labeled 'Video screen'. The camera is labeled 'Video camera'.

\mathbb{R}^n 上的函数 f 称为 n -次齐次函数，如果对于任意的 $x \in \mathbb{R}^n$ 和任意的 $\lambda \in \mathbb{R}$ ，有

$$f(\lambda x) = \lambda^n f(x).$$
 例如，二次型 $Q(x) = x^T A x$ 就是二次齐次函数。

BANK OF A LIFETIME

FOR A LIFETIME OF SERVICE

A full life is marked not so much by days and years as by events. Life's turning points — a first date, graduation, marriage, the birth of a child, a new job, a new home, unforgettable travels — these are the eventful moments that give texture to a life.

Not all of life's milestones are happy to be sure. But we can identify with the memorable events of a lifetime. We know and understand the hopes, the joys and the concerns of people. Because we are people. We know what people need. It's more than checking and savings and loans...it's understanding. It's permanence. And we're the Bank of a Lifetime.
